Subject: NOTICE: Child Nutrition Program claims for reimbursement

The Federal Register has not released the USDA Rates of Reimbursement that are effective July 1, 2016 for the National School Lunch Program, Child and Adult Care Food Program and Special Milk Programs. Due to the delay in releasing these rates the Department of Public Instruction will not be able to process July 2016 claims until the rates are released and entered into our payment system. We will notify the Authorized Representatives by email when our claiming system back open for you to enter your July claim.

If you are filing a May 2016 claim you will need to submit a paper claim by the 60-day deadline of July 30, 2016.
