ACT WorkKeys Test Times by Subject

The tests must be administered in the order listed below for all examines in all rooms. If this order is altered, the answer documents will **not** be scored. These test times and the break schedule should be strictly followed.

Test and Subject Area	Time
Applied Mathematics (Test 1)	45 Minutes
Locating Information (Test 2)	45 Minutes
Break	15 Minutes
Reading for Information (Test 3)	45 Minutes
Note: An additional time of 15-30 minutes may be needed for completing demographic information on the answer documents
