

Middle School Career Cluster Record of Activity

Student Name _____ Grade _____

Career Exploration Activities: List the completed activities related to each career cluster. For example: interviewed a surgical nurse; tutored a third grader in math; job shadowed a journeyman electrician; internet and library research on logistics manager; attended presentation by an auto technician at a career fair; toured a biotechnology firm; representative to student council; read a book about an astronaut, etc.

<u>Health Care</u>	<u>Industrial, Scientific, & Engineering</u>
<u>Human Services</u>	<u>Agriculture/Natural Resources</u>
<u>Arts & Communications</u>	<u>Business & Marketing</u>

Goal: Every middle school student has the opportunity to explore occupations requiring different levels of education and training in every career cluster.
