Greetings from Region V VP

Hello, Region V. I am Kayla Carey, your 2010-2011 Region V Vice President. First let me start off by telling you about myself. I am currently a senior at Whitewater High School where I am involved in FBLA, Drama Club, and a

Class Leader. This first month of school has been busy for me as I am sure it has been for many of you. I hope you are getting adjusted to being back and looking forward to a year full of "Breaking Barriers."

My advisor and I have been busy preparing for the Regional Leadership Conference to be held Saturday, February 5, 2011, at Whitewater High School. Entertainment has been booked and lunch choices are being discussed. I look forward to seeing you all then. Until then, be sure to check out the upcoming labs and conferences. They will be filled with fun workshops, designed to make you an even better leader both in and out of FBLA. Don't hesitate to E-mail me with any questions at: wifblaregion5vp11@gmail.com

FBLA is Going Green!

The FBLA Go Green Project is a fun way for members to be involved in their communities while helping the environment. In order to earn the title of FBLA "Eco Chapter," a chapter must participate in the Go Green Project activities as well as prepare a report submitted by May 15, 2011. Activities include celebrating Earth Day, planting trees/flowers, informing your school on how to go green, and many more. Visit dpi.wi.gov/fbla/resources.html for more information on how to help the environment with the FBLA Go Green Project!

Fall Leadership Labs

There are two available dates and locations for the FLL, Madison on October 14, 2010, and Eau Claire on November 17, 2010. Your state officers have prepared fun workshops to help you get the most out of FBLA.

Wisconsin Fall Leadership Conference

The WFLC will be held October 25-26, 2010, at the Paper Valley Hotel in Appleton, Wisconsin. The conference will focus on many aspects of FBLA and being a leader, with workshops conducted by your state officers and feature facilitator, Andrew McCrea, Oscar-winning Broadcaster from American Countryside. I strongly encourage all members to participate in this great conference.
