Region VI Vice President Allison Gage

Welcome Back! I hope everyone had a wonderful summer and congrats to those who attended the National Leadership Conference in Orlando, Florida. It truly was an amazing experience!

My name is Allison Gage and I am currently serving as your Region VI Vice President. I am currently a senior at Muskego High School. I have been involved in FBLA for the past three years and I am looking forward to another great year!

Over the past few months, I have been working with my adviser to plan the Region VI Regional Leadership Conference which will be taking place at Muskego High School. I hope that you will all be able to attend because we have a great day planned for everyone.

I look forward to the opportunity to meet as many members as possible at the various conferences throughout the year.

Feel free to contact me at anytime if you have questions. The best way to contact me is via email:

Thanks! I look forward to seeing everyone soon!

NEW THIS YEAR

This year we will be separating the middle school awards ceremony from the high school award ceremony. The middle school ceremony will take place before the high school ceremony. Middle schools will then be released to go home before the high school award ceremony begins.

**Change in RLC
Closing Ceremony:**

This summer your RLC advisers worked hard on putting together a dynamic and efficient 2012 RLC for your chapters. Recognizing that all of us face juggling busy schedules with students in attendance at RLC, we're trying hard to make the closing awards session as efficient as possible. We do, however, want to maintain the spirit of the awards session....a celebration of success for our students. Therefore, we are asking that if your chapter is unable to stay until the very end of the closing session, that you elect to not attend the closing session. You may send in \$10 with your registration and we will be happy to mail your results after the conference. It is disheartening for students who are called on stage to see students leaving the closing session when we should be celebrating their success. Thank you for your support of this request.
