NFLC RECAP

This year, Wisconsin had the great honor of hosting one of the National Fall Leadership Conferences (NFLC). On November 11-12 students from all over the United States came to hear from two keynote speakers, attend dynamic workshops, tour businesses, network with other FBLA members, and raise money for the March of Dimes through the Blue Jeans for Babies Dance!

2012 Regional Leadership Conference Awards of Excellence Ceremony

We have been having issues the past several years with chapters leaving the awards session before its conclusion. We understand that at that time of the year, there are many activities taking place at the same time and it is difficult to avoid all conflicts. However, it is very disruptive to have chapters leave during the awards program. As a result of this, each region is asking chapters to make the commitment to stay for the entire awards session.

If this is absolutely not possible for you, please do not plan to attend the session at all. You will have the opportunity to pay \$10 before the conference and your chapter packet will be sent to you the week following the conference. Thank you for your understanding in this matter.

Chapter packets will not be given to any chapter until the conclusion of the session.

“Recognition is the greatest motivator.”
