

# September 2009 Delivery Cancellations

## **Canned Apricot (A382) Cancellations**

Due to lack of supply, USDA was unable to purchase a large portion of the A382, canned apricot orders. Therefore, schools **will not** be receiving **any** canned apricots for **September 2009 through December 2009** deliveries. In addition, only some of the **January 2010** delivery orders will be filled.

DPI has made the adjustments for the **September 2009 through January 2010 cancellations** in the Commodity Internet System. Schools may view these adjustments by accessing the "Survey" tab for Program Year 2010 in the Commodity Internet System.

## **Bonus Orange Juice Cups (C910b) Cancellations**

USDA was unable to purchase all of the bonus bulk orange juice requested by the state of Wisconsin. Therefore, schools **will not** be receiving **any** bonus orange juice cups for **September 2009** and **October 2009** delivery.

DPI has made the adjustments for the **September 2009 and October 2009 cancellations** in the Commodity Internet System. Schools may view these adjustments by accessing the "Survey" tab for Program Year 2010 in the Commodity Internet System.
