FROM: Laura Sime and Lynne Slack
Wisconsin USDA Foods Section, School Nutrition Team

SUBJECT: School Year (SY) 2011-12 Yearly Entitlement Adjustments to Reflect SY 2010-11 Meal Counts

The yearly available entitlements for SY 2011-12 have now been adjusted to reflect the prior year's meal counts (SY 2010-11).

In addition, the yearly available entitlements for SY 2011-12 have also been updated to reflect the USDA SY 2011-12 published per meal rate of \$.2225.

As a result of both entitlement updates, some SFAs may now have remaining (unspent) SY 2011-12 entitlement dollars.

USDA is still exploring available options, if any, for allowing SFAs to spend any remaining entitlement dollars. Therefore, the USDA Foods Section of the School Nutrition Team will provide additional information regarding this, as additional information becomes available from USDA.

To access your SFA's adjusted entitlement for SY 2011-12, please access the Program Year 2012 "Entitlement" tab in the Wisconsin USDA Foods Internet Ordering System.
