The Mission:

Empowering ALL students to travel the road TO adulthood THROUGH education and training to careers!

The Vision:

Reimagining K12 education to equip students

- With meaningful and supportive adult relationships
- And the ability to adapt to opportunities and challenges
- On their personalized journeys to successful lives.

The Talking Points:

- ACP is based on the **STUDENT'S** interests, abilities, values, and goals.
- ACP provides students and parents with the information needed to make **INFORMED CHOICES** for education, training, and careers.
- ACP is a **CULTURE SHIFT**; the purpose of education is not just to get everyone into college; but, rather to allow students and their families to choose the best opportunities available to achieve personal education and career goals.
- ACP **HONORS ALL POST-SECONDARY ROUTES** to achieve goals, including military, apprenticeship, certification, technical college, and university recognizing that people often move in and out of different routes throughout their lives as needed.
- Schools Districts are **ALREADY DOING SOME OF THE ACTIVITIES RELATED TO ACP** such as conferencing, career exploration, career interest inventories, intentional course sequencing, etc.
- ACP requires **EVERYONE TO SUPPORT STUDENTS** in the process, including academic teachers, administrators, community members and parents.
- ACP **DOES NOT REPLACE THE IEP OR PTP**. ACP can be used to support and supplement the IEP and PTP.
