Dear District Administrator:

I want to take this opportunity to offer a **big thank you** to district assessment coordinators, principals, teachers, IT staff, and support staff who were indispensable in implementing the new statewide assessments required by state law. Their tireless contributions, persistence, and professionalism were critical for success. And, of course, I offer my gratitude to all your students who worked hard on the assessment.

Please express my heartfelt gratitude to your staff and students. Thank you for passing along our appreciation. I look forward to continued collaboration with you in support of Wisconsin's students, educators, and public schools.

Sincerely,

Tony Evers, PhD
State Superintendent
