Subject: Attn: DACs - OSA Communication re: Tea w/Troy & Testing Update

Good afternoon, District Assessment Coordinators!

Please note that the April 2015 edition of Tea with Troy is now posted on our website: <http://oea.dpi.wi.gov/assessment>. The 7 minute video contains brief updates regarding Badger Exam, DLM, ACT Aspire, and ACCESS for ELLs. There is also a companion resource guide available containing all of the links/contact information provided in the video for easy reference.

In addition, we'd like to express our appreciation to you and your school personnel for helping us to get the Badger Exam and DLM testing windows off to a successful start. As the week draws to a close, almost 200,000 Badger Exam tests have been completed, with over 1000 Wisconsin schools testing so far. Additionally, over 16,000 DLM testlets have been submitted, with nearly 20% of all DLM testing completed.

ETS and our office have been in twice daily contact at a minimum in order to closely monitor Badger Exam testing activity, as well as to report on daily statistics regarding usage, peak times, concurrent users, trending help desk topics, etc. Overall, we have been very pleased with this week's activity, and will continue to maintain constant contact with ETS to ensure that testing logistics continue in a successful manner for all of you in the field.

Thank you for your hard work!

Troy Couillard
Director, Office of Student Assessment
