

If you have time for a 15-30 minute overview such as a professional organization board meeting, a short keynote, a webinar or teleconference:

Learning Objectives

- Understand disciplinary literacy and how it differs from literacy in the disciplines
- Understand that reading, writing, speaking and listening, and language is a shared responsibility across all disciplines

Resources

- Use slides 1-9, 11, 23, 49, 57, 58 (includes a 3:51 video).
 - To “hide” slides from the master PowerPoint, open the PPT, make sure you are in “slide” mode on the left side of the screen, and right click on the slide you want to hide. At the very bottom it says “hide slide”. The slide will then not show up in your presentation. To “unhide”, right click again, then click “hide slide” again.
