

## **If you have a half- to full-day workshop:**

### **Learning Objectives**

- Understand disciplinary literacy and how it differs from literacy in the disciplines
- Understand that reading, writing, speaking and listening, and language is a shared responsibility across all disciplines
- Practical application for the classroom
- Select appropriate texts for the discipline
- Use texts to deepen understanding of the discipline

### **Resources**

- Share all Power Point slides
- Facilitate activities as time permits
- Use handouts to complement the slides and activities.
