Subject: Physical Activity, and Electronic Media Use in the Child and Adult Care Food Program

Nutrition, Physical Activity, and Electronic Media Use in the Child and Adult Care Food Program: Research Report on Practices, Challenges, and Technical Assistance Needs

Now available in an easy-to-read format, the CACFP Research Report Booklet highlights findings related to these questions:

- What are the biggest nutrition and wellness challenges for child care providers?
- What do providers need to overcome these challenges?
- What are the best ways for providers to receive training and resources?

Download or order your print copy **here** to find answers!

Child care centers and homes, sponsoring organizations, and schools that participate in USDA's Child Nutrition Programs may request free printed copies of materials at <http://tn.ntis.gov>.
