Kay Ihlenfeldt

Wisconsin Department of Public Instruction

P.O. Box 7841

Madison, WI 53707

Dear Ms. Ihlenfeldt,

We are sending a correction per Melissa Aro (DPI) of our 2008-2009 Third Friday Count Data.

Under the category of "Economically Disadvantaged Status," Elkhart Lake-Glenbeulah inadvertently used the wrong label for our students. The letters of F (Free) and R (Reduced) were used, when all students identified should have been labeled A for Alternative Mechanism.

As we do not participate in the National School Lunch Program (NSLP), we have developed a local survey instrument based on the guidelines for reduced-lunch identified by NSLP. The surveys are coded for confidentiality.

In the future, we will be sure that those responsible for entering the district data use the correct label of A – Alternative Mechanism for any economically disadvantaged students that we may identify.

Again, we apologize for this unintentional error. If there is any other information or further clarification that you may need, please feel free to contact me.

Sincerely,

Ann Buechel Haack

District Administrator
