Re: Corrections to 2007-2008 Administrator Benefits due to a program import error

The following are the names of the Administrators and the correct benefit amounts:

Sternke, JoAnn 53,007

Gahan, John 44,224

Please accept this as a correction to the Pewaukee School District 2007-2008 PI 1202 report for Administrator's benefit amounts. Please note that the salary figures were correct in the report, so there is no need for any changes in that area.

Sincerely,

John Gahan
Assistant Superintendent/Chief Financial Officer
