Dear Ms. Boyd:

Please accept this letter as a statement of correction regarding the DPI 1202 Fall Staff Report 2010-2011 school year. It has come to my attention that the years of experience data for teachers and administrative staff was not exported correctly into the 1202 report and that the 2010-2011 data can no longer be updated.

This error has been corrected for the 2011-2012 data export.

Sincerely,

Krista Remington
Human Resource Coordinator
