

WISCONSIN DEPARTMENT OF PUBLIC INSTRUCTION

A Proclamation

Whereas Wisconsin teachers are key to building and maintaining our future through their dedicated efforts to ensure our children learn the knowledge and skills needed to be college and career ready; and

Whereas The increasingly diverse population of students in our state demands that teachers have academic, teaching, and assessment skills along with knowledge of child development so they can meet the ever-changing needs of young people in our schools; and

Whereas Our state's colleges and universities provide teacher training for students entering the field and continuing education and professional development for experienced educators; and

Whereas Teaching is a profession that plays an essential role in preparing our young people to become contributing members of our communities, thereby strengthening our democracy; and

Whereas There are thousands of dedicated educators working in Wisconsin public schools, putting in countless hours and extra effort to help students achieve, and without whom Wisconsin would not have nation-leading graduation rates, college entrance exam scores, and high levels of Advanced Placement course participation and success;

Therefore, be it resolved that May 4-10, 2014, be proclaimed Teacher Appreciation Week, a time to recognize the efforts of educators in our state, encourage the young people who are training to become tomorrow's teachers, and thank the many teachers who work with children in Wisconsin public schools.

TEACHER APPRECIATION WEEK

May 4 to 10, 2014

Tony Gu
State Superintendent of Public Instruction
