

Public Notice of Intent to Seek Waiver

The Wisconsin Department of Public Instruction intends to seek a waiver to Section 1003(a) of the Elementary and Secondary Education Act (ESEA).

The waiver request is to extend the deadline to use Federal Fiscal Year 2012 School Improvement funds from September 30, 2014, to September 30, 2015 in order to make them available to Title I priority and focus schools.

Comments or questions concerning the proposed waiver may be directed to Lynette Russell, Assistant State Superintendent, Division for Student and School Success, at lynette.russell@dpi.wi.gov. Comments must be received on or before January 6, 2014.
