COMMENTS

Area of Specialization for Section B is a combination of Student Disability and Staff Certification

Section B

The categories of Special Education Specialty and Special Education Homebound/Hospital Teachers were in the past reported under the category of Special Vocational Teachers. The Special Education Speciality teachers include special education music, art, family and consumer education, and technology education as well as assistive technology specialists.

Section C

In the past, the full fte (general plus special education time) was reported for school psychologists and school social workers. Beginning with the 2005-06 school year, the fte for school psychologists and school social workers was collected as a general education fte and a special education fte. Only the special education fte is included with this report.

Beginning with the 2005-06 school year, the fte for school guidance counselors and school nurses was also collected as a general education fte and a special education fte. The special education fte for school counselors is included with this report. The special education fte for school nurses is included with this report under the category of Other Professional Staff.
