KEYNOTE SPEAKER:

Jill K. Underly, PhD, State Superintendent Wisconsin Department of Public Instruction

March 6, 2024

12:15 – 1:00 PM

Kilimanjaro Ballroom

Dr. Jill Underly was elected State Superintendent of Public Instruction on April 6th, 2021. Dr. Underly has a deep background in public education, since 1999, she has worked in all facets of public education: at the college level, but also at both the state and district levels as a teacher and administrator.

With over twenty-five years of public education experience, Dr. Underly has been committed to ensuring that every child, every day, has the opportunity for a first-class public education in the State of Wisconsin.

Dr. Underly received bachelor's degrees in history and sociology from Indiana University-Bloomington, master's degrees from both IUPUI and UW Madison, and her doctorate from the University of Wisconsin-Madison. She is the parent of two children, both in high school, and she lives with her family in southwestern Wisconsin.

SHIFTING: Can You See Me Now?

Today's Breakfast Keynote will focus on helping attendees to embrace SHIFTING mindsets for effective practices, efficacious procedures and policies driven by trends, diverse contributors on Data Teams. Interactive components of the presentation will yield a soundtrack of Essential Questions that will help to achieve greater things. What does it take for people to be better in their roles to sustain the integrity of data systems where equity and inclusion are often buzzwords in the workplace only? The expected outcome of this presentation is for attendees to be introspective and investigative relative to one's ideology, influence and impact within information systems that must see all our scholars/families. With the "SHIFT" mindset, no one will be statistically insignificant and will be served with a soundtrack that will alter Standard Operating Procedures (SOP). Make the SHIFT!

Bio: Janie's greatest achievements include the ability to love, learn, lead, and serve. She has done it all. March 6, 2024

Kilimanjaro Ballroom

8:45 - 10:00 AM

Welcome: Gabrielle Koontz, Director of the Customer Services Team

Opening Remarks: Sachin Chheda, Executive Director of the Office of State Superintendent

Keynote: Dr. Janie Hill Hatton

Day 1, March 6 - Morning, Session I

10:15 am – 11:00 am

WISEdata for New Users

Jodyann Hunter

Room: Marula and Aralia

Are you new to WISEdata Portal, or want to sharpen your skills to become an expert? This session is calling your name! Here we will navigate the WISEdata Portal, and you will learn how to troubleshoot errors and warnings.

WISE: For Principals and District Administrators

Jeff Perry

Room: Tamboti and Aloeswood

What does an administrator need to know about WISEdata? In this session we'll tell you! We will cover WISEdata topics at a high level and provide the information you need to effectively manage data reporting at your LEA. Also included will be an overview of some WISE tools available to assist you.

WISEid Uploads and Match Review Process

Adam Mueller, Josh Roy and Jennifer Janik

Room: Cypress

Learn how to complete the WISEid Person Upload process including following up on any errors, potential matches, and Change Requests.

Ed-Fi Credential Application: Overview

Heather Kluck and Jaidaa Shafaei

Room: Kilimanjaro Suite 4

This session will help LEAs understand how data flows from the LEA to the State and their role in ensuring data flows from vended applications (SIS, SpEd, Financial, etc.) to the Ed-Fi API.

Data in Accountability Reports – Open Lab

Emily Colo and Jon Wong

Room: Kilimanjaro Suite 5

Stop by during this open lab/workshop to get hands-on assistance.

CTE: 101 for Beginners (New Users)

Jessie Sloan

Room: Kalahari Suite C

Introduction to Career and Technical Education data collection used in school report cards and Perkins.

FERPA 101

Ross Lemke, Associate Director - AEM Education Services

Room: Mangrove

This presentation will review the basics of the Family Educational Rights and Privacy Act (FERPA) and delve into common scenarios faced by districts. It is intended for anyone who works with personally identifiable student data daily. This session will improve understanding of FERPA and the context for the law and reduce misconceptions about FERPA.

Day 1, March 6 - Morning, Session II

11:15 am - 12:00 pm

WISEdash Assessment Data

Lauren Zellmer and Phil Olsen

Room: Marula & Aralia

Understanding how the statewide assessments measure student knowledge and skills helps ensure valid use of test results. In this session we will cover the complete test development cycle for the Forward Exam, the link between Academic Standards and assessment, how performance levels are established, and information about the upcoming test.

Snapshot Prep for Choice

Carrie Boe and Ryne Franz

Room: Tamboti and Aloeswood

Join this session to learn about the tools for Choice schools in WISEdata Portal to prepare for the snapshot. The data captured in this snapshot is used to generate your school's accountability report card issued by DPI. Learn about how Choice schools can prepare for the data snapshot, ask questions, and learn how to receive further support.

WISEid Open Lab

Adam Mueller, Josh Roy and Jennifer Janik

Room: Cypress

Open lab to get help with any WISEid related issues for both student and staff.

WISEdash Navigation - Beginner

Curtis Maples

Room: Kilimanjaro Suite 4

If you are new to WISEdash, this session is for you! Here we explore the basics of WISEdash Navigation primarily through a detailed tour of the menu system and what you will find under each major topic area.

WISE Website Showcase

Kina Stringfellow

Room: Kilimanjaro Suite 5

Anyone who would like to become more familiar with DPI's "WISE" suite of websites and/or who would like to give us direct input about improving those websites is encouraged to attend this session. A digital list of our most-visited WISE websites will be given. Attendees can also provide website feedback to the Customer Service Team.

Career Ed and Coursework Data Elements: WBL, IRC, Adv Opps, DE, and Arts

Jessie Sloan

Room: Kalahari Suite C

This session will cover WISEdata elements and collection for work-based learning, industry recognized credentials, advanced opportunities, dual enrollment, and the arts.

FERPA 201

Ross Lemke, Associate Director - AEM Education Services

Room: Mangrove

Work with student data for a while? You got this privacy stuff down? Delve into some advanced interactive scenarios based on recent guidance and real cases received by PTAC. Or bring your own questions. You know how much we love saying "It depends."

Day 1, March 6 - Afternoon, Session I

1:00 pm – 2:15 pm

WISEdata Discipline Reporting

Britt Mueller

Room: Marula & Aralia

This session will provide an overview of how to report discipline data to WISEdata, including the key data elements sent from your SIS. We will also explore how to review your data once it has been reported.

Attendance: Best Practices

Adam Mueller and Kari Krakow

Room: Tamboti and Aloeswood

This session provides a holistic view of how DPI collects attendance data and how to help LEAs bring their own attendance policies on truancy, absences, students who are migratory, and more into WISEdata reporting so that data is accurate and complete. This session can help you refine your school's practice to report attendance data with fidelity.

WISEstaff Final Certification

Jennifer Janik and Josh Roy

Room: Cypress

Review the process to complete WISEstaff final certification. Review how to look for data quality issues that need to be corrected.

Pupil Count for Membership: Updates to Reporting Data through WISEdata and WiSFIP

Jennifer Buros and Jaidaa Shafaei

Room: Kilimanjaro Suite 4

Update on the status of the Pupil Count Pilot program and what's in store for districts next year.

Best Practices for WISEdata EL Reporting

Carrie Boe and Amy Maciolek

Room: Kilimanjaro Suite 5

This session will discuss best practices for identifying and WISEdata reporting students who are English Learners (ELs). Topics include the Home Language Survey (HLS) identification process, reporting ACCESS Score and English Language Proficiency (ELP) scores in your Student Information System, Title III funding and WISEdata reporting requirements, Migrant student reporting.

Roster Work Plan

Jessie Sloan

Room: Kalahari Suite C

This session will provide you with an understanding of how to use the Roster Work Plan to organize your courses for data collection.

Vetting Ed Tech

Ross Lemke, Associate Director - AEM Education Services

Room: Mangrove

Do you use educational technology in your school? Did you ever wonder how those apps and services protect student privacy? This session will explore how online educational technology can be assessed for privacy protections and general compliance with the Family Educational Rights and Privacy Act (FERPA).

Day 1, March 6 - Afternoon, Session II

2:45 – 4:00

Enrollment for Public Schools

Britt Mueller

Room: Marula & Aralia

Understand the ins-and-outs of reporting WISEdata enrollments, including uncommon enrollments scenarios, tips and tricks, and how to review for accuracy.

Room: Cypress

Open lab to get help with any WISEstaff related issues.

Data Matters – World Language Education

Pam Delfosse and Jaidaa Shafaei

Room: Kilimanjaro Suite 4

Join us to gain insights into best practices for reporting students in world language education programs. Learn how to categorize students based on program type, linguistic background, and standards-based learning goals. This session will include scenarios to guide data-reporting for world language education programs.

Learning with LEAs: Panel Discussion of Data Journeys

Rachel Bauer and Kelly Wildenberg

Room: Kilimanjaro Suite 5

Join Rachael Bauer of Oshkosh School District and Kelly Wildenberg of Kaukauna Area School District as they share their LEA's journey of best practices with data teams and WISE. Listen, learn, share, and improve with us!

Career Ed Snapshot Preparation

Jessie Sloan

Room: Kalahari Suite C

This session will provide you with details to help you effectively review the Career Ed dashboard on WISEdash for Districts.

Transparency of School Data Collection: Improve Your Messaging

Ross Lemke, Associate Director - AEM Education Services

Room: Mangrove

PTAC experts will review best practices on communicating with parents about school and district data collection policies and practices. We'll look at the good, the bad and the ugly of existing district websites and discuss what you can do to improve your messaging.

Day 2, March 7 - Morning, Session I

9:00 – 10:30

Enrollment for Choice Schools

Carrie Boe and Emily Colo

WISEdash Navigation - Intermediate

Curtis Maples

Room: Cypress

So, you know the basics of WISEdash navigation but want to learn more? This session is for you! Here we get into advanced topics such as Advanced Analysis, Cohorting, Data sources as well as using snapshot dashboards to prepare the snapshots.

LEAD: Licensing Open Lab

Julie Hagen, Jennifer Kammerud, and Courtney Spitz

Room: Kilimanjaro Suite 4

Stop by with your licensing questions during this session.

WISEdata: Annual Tasks Checklist

Jodyann Hunter

Room: Kilimanjaro Suite 5

By the end of this session, you will know a little more about the busiest times of the school year for data collection.

Perkins Dashboards

Jessie Sloan

Room: Kalahari Suite C

This session will provide you with a review of the WISEdash for Districts Perkins dashboard.

Cybersecurity: You Make Your Own Luck

Ross Lemke, Associate Director - AEM Education Services

Room: Mangrove

Ever notice how some schools just seem to have bad cyber luck, while others seem to dodge that bullet every time? Well, it may have less to do with luck than you think. PTAC experts will distill security best practices down to a short list of things that your school can do to avoid rolling a 1 on your cybersecurity saving throw.

Day 2, March 7 - Morning, Session II

10:45 - 12:00

Snapshot Prep for Choice

Carrie Boe and Emily Colo

Room: *Marula & Aralia*

Join DPI's Customer Service Team to learn about the tools available to Choice schools in WISEdata Portal to help prepare for the data snapshots. The data that is captured in this snapshot is used to generate your school's accountability report card issued by DPI. Ask questions and learn how to receive further support.

Transfer Students

Adam Mueller

Room: *Tamboti and Aloeswood*

We will discuss transfer topics in this session, such as: no shows, enrollment overlaps, exiting students, dropouts, expected transfer/promotion (ETC) exits, home school and non-Choice private school enrollment, virtual students, and rural virtual academies.

WISEdata Finance and WI School Finance Portal (WiSFIP) Updates

Matt Baier and Mark Elworthy

Room: *Cypress*

WISEdata Finance (WDF) and the Wisconsin School Finance Portal (WiSFIP) are DPI's next-generation financial reporting system for school districts and other local education agencies (LEAs). As we continue to transition reports from our legacy reporting system (SAFR) to utilize WDF data, WiSFIP will be developed and expanded. The SFS Team will provide updates on the status of the transition to new reporting and future development of both applications.

LEAD: WISEstaff Licensing Open Lab

Julie Hagen, Jennifer Kammerud, and Courtney Spitz

Room: *Kilimanjaro Suite 4*

Open lab to get help with any WISEstaff and licensing related issues.

School Directory Management Portal: What's New for 2024?

Kari Tenley

Room: *Kilimanjaro Suite 5*

If you are a School Directory Administrator, this session is for you! Here we explore the new School Directory Management Portal. Navigation, timeline, and necessary updates will be discussed through a detailed tour of the new system interface.

From Student Data in SIS to Report Cards and Federal Identification

Britt Mueller, Jon Wong and Courtney Jenkins

Room: *Kalahari Suite C*

From SIS to WISEdata to WISEdash to report cards: This session will provide a walk-through demonstrating how your data transfers throughout these systems. Also covered will be discussions on how your data - correct or incorrect - impacts your district throughout this journey.

Free Cookies: How I Lured You to a Talk on Incident Response Best Practices

Ross Lemke, Associate Director - AEM Education Services

Room: *Mangrove*

Let's face it, social engineering is effective. You like cookies, you are also likely to be part of a cybersecurity incident. So, scratch both itches by coming to this talk and browsing for cookies while you learn about ways to make cybersecurity incident response less of a hassle, and way more effective.

Day 2, March 7 - Afternoon, Session I

1:00 – 2:30

WISEdata Portal: Not All Errors are Equal

Kari Krakow and Jeff Perry

Room: Marula & Aralia

Working on errors and warnings in the lead-up to a snapshot can be overwhelming. Where do I start? Are there some validations that are more important than others? This session will help you determine what WISEdata Portal errors to focus on and when, with examples.

Equity and Data Workshop

Carrie Boe, Kina Stringfellow, and a panel of DPI facilitators

Room: Tamboti and Aloeswood

DPI's mission/vision includes advancing equitable educational experiences in Wisconsin. Problem solve LEA-selected equity topics with affinity groups using WISE applications data, DPI web pages, and local data (e.g., culture and climate survey results). Feedback about equity issues welcomed.

Educator Effectiveness (EE)

Jacob Hollnagel and Jennifer Kammerud

Room: Cypress

This session will provide attendees with an overview of the Wisconsin Educator Effectiveness (EE) System, the state model of EE, and how to support EE best practices using DPI-provided tools. This session will be specific to the state model of EE; CESA 6 Effectiveness Project users may not derive as much benefit from attending but are welcome to attend.

Overview of WISEdash Local Consortium

Shelby Renoos

Room: Kilimanjaro Suite 4

Data from SIS and assessments integrate onto customizable dashboards for daily updated comparisons, helping you visualize progress towards district goals: (1) Data Validation ensures SIS and course code accuracy, (2) Data wall, College and Career Readiness, (3) Early Warning Indicators, and (4) Member examples of actionable data for continuous improvement.

WISExplore

Mary Ann Hudziak and Lisa Arneson

Room: Kilimanjaro Suite 5

This session helps district data teams use WISEdash for Districts to validate and enhance data accuracy in accountability and reporting. Emphasizing effective data stewardship, it offers demonstrations on Snapshot dashboards to review and prevent errors, providing strategies and resources for improved data quality.

Youth Engagement Strategies

Stacy Broach, Annalee Good and a panel of Wisconsin students

Room: Kalahari Suite C

This presentation and panel style session will address specific challenges and opportunities at the State and LEA level to center youth voices including rethinking how institutional policies and individual mindsets contribute to successful youth partnerships, and how shared decision making provides students with a sense of belonging.

WISEdata and WISEdash: Open lab

Michelle Jones, Heidi Wick, Jodyann Hunter, Pete Shay and Susan Bowser

Room: Mangrove

Bring your questions for troubleshooting help with WISEdata Portal or WISEdash.

Day 2, March 7 - Afternoon, Session II

2:45 - 4:00

Uncommon Student Scenarios

Britt Mueller, Emily Colo, and Courtney Jenkins

Room: Marula & Aralia

This session will discuss reporting uncommon situations. It will also highlight valuable webpage resources and allow for Q&A time with DPI staff who are knowledgeable about uncommon situations.

Equity and Data Workshop, Continued

Carrie Boe, Kina Stringfellow, and a panel of DPI facilitators

Room: Tamboti and Aloeswood

This continued portion of the Workshop provides time for attendees to discuss items addressed in the 1:00-2:30 session, and create local solutions based on LEA needs. Facilitators will be available to assist in conversations.

WISEdash Local: Play in the Sandbox!

Shelby Renoos

Room: Kilimanjaro Suite 4

Try WISEdash Local (WDL) data dashboards firsthand. Explore independently, or with guidance from staff. Current members are encouraged to collaborate and consider new metrics and dashboards. Prospective members are encouraged to survey what we offer through the WDL Consortium, explore tools and filters, and witness how our unique metrics aid actionable data practices. Current members collaborate and consider potential for new metrics and dashboards.
