

Staff audit

Staff audit review

DPI must do an yearly audit of licensed staff members to ensure they have the appropriate licenses. We use your WISEstaff data.

This button starts the process \rightarrow

Agency Ready for Audit Review

If your WISEstaff data has NO error or warning validation messages, we take a snapshot of your data.

You're done. Keep maintaining your data.

If validation messages exist, you must resolve them and try the audit again.

Terms and buttons
