## 122 schools plan to participate in Milwaukee Parental Choice Program

MADISON — The Department of Public Instruction received registrations from 122 private nonsectarian and religious schools by the Feb. 2 deadline, indicating their intent to accept students through the Milwaukee Parental Choice Program (MPCP) for the 2015-16 school year.

The list of participating MPCP schools includes 10 new schools that registered and have met the initial requirements that allow them to begin accepting applications for voucher students. Several MPCP schools also registered to participate in the Racine or Wisconsin parental choice programs.

The MPCP allows students who reside in the city of Milwaukee and meet certain eligibility requirements to attend participating private or religious schools. The private school, on behalf of each student’s parent or guardian, receives a state aid payment for each eligible choice student. Eligible students in grades kindergarten through eight may attend the private school with no charge for tuition. Eligible students in grades nine through 12 may be charged tuition if the family’s income exceeds 220 percent of the federal poverty level. Students must reapply to the program each year; however, students continuing in the program do not have to meet the 300 percent of poverty level income limit. City of Milwaukee parents who wish to enroll their children in a private or religious school participating in the state’s voucher program next fall should contact schools for application information. Application forms also are available by contacting the DPI (toll free) at 1-888-245-2732 (press 3) or by downloading the form from DPI’s website at [http://sms.dpi.wi.gov/mpcp\\_apps](http://sms.dpi.wi.gov/mpcp_apps).

When registering with the DPI, each participating school designates the number of seats available for the choice program at each grade level and selects which open application period or periods it will accept student applications. Schools are limited to accepting applications only during that time. If the number of eligible student

(more)

applications received during a specified open application period exceeds choice enrollment limits at the school, the school must use a random selection process to determine which students will attend under the choice program. Choice schools must send written notification of students' acceptance or denial within 60 days of the application being submitted to the school.

A list of schools that plan to participate in the MPCP for the 2015-16 school year, including the schools' open application period or periods, follows. Schools marked with an asterisk (\*) will be new to the MPCP in fall 2015. Schools new to the program for fall must, by Aug. 1, submit a certificate of occupancy and must obtain pre-accreditation.

The Wisconsin Legislature is currently considering the 2015-17 budget, which may make changes to Private School Choice Programs. Any changes for the 2015-16 school year will be implemented with the effective date of the new laws.
