

Emergency Nursing Services
Standard G (Administrative Code)
PI 8.01

Each school district board shall provide emergency nursing services under a written policy adopted and implemented by the school district board which meets all of the following requirements.

1. The emergency nursing policies shall be developed by professional nurse or nurses registered in Wisconsin in cooperation with other school district personnel and representatives from community health agencies and services as may be designated by the board.
2. Policies for emergency nursing services shall include protocols for dealing with pupil accidental injury, illness and administration of medication at all school-sponsored activities, including, but not limited to, curricular, co-curricular and extra-curricular activities and method to record each incident of service.
3. Arrangements shall be made with a licensed physician to serve as medical advisor for the emergency nursing service.
4. The emergency nursing services shall be available during the regular school day and during all school-sponsored activities of pupils.
5. Pupil emergency information cards, equipment, supplies and space for the emergency nursing services shall be appropriate and readily accessible.
6. A review and evaluation by the school board shall be made of the emergency nursing services program at least annually.
