

## Professional Teaching Permits Pathway for Art

The following pathway allows professionals who hold a bachelor's degree in art to receive a Professional Teaching Permit in the respective subject area. This pathway is intended to address Wisconsin licensure areas identified as critical shortage areas.

### Requirements for Wisconsin School Districts

- Identify the need to hire an individual to fill a critical shortage area in this pathway.
- Provide supervision during the initial two-year permit period by a teacher who holds a Wisconsin teaching license.
- Ensure that no regularly licensed teacher is removed from his or her position as a result of the employment of a professional teaching permit holder.

### Requirements for Professionals

- Hold a bachelor's degree in art from an accredited college or university.
- Have at minimum five years of experience as a professional in the subject area in which the art bachelor's degree was awarded.
- Complete at minimum 100-hours of formal instruction in the application of modern curricula in the subject area. Training must be completed at a Wisconsin state-approved alternative teacher training program.  
<http://dpi.wi.gov/tepd/pathways/professional-teaching-permits>
- Demonstrate competency in the subject area by posting a passing score on the state prescribed standardized content test(s) specific to the subject area license. [Wisconsin testing requirements](#).

**TO APPLY** for a two-year permit in this Pathway, a **Professional Teaching Permit applicant** must:

**1. SUBMIT** an original transcript as verification of a bachelor's degree in art from an accredited college or university. To determine if the institution where you completed your degree is accredited, go to:

<http://ope.ed.gov/accreditation/Search.aspx>

**2. SUBMIT** documentation of five years of professional experience from employer(s) by submitting an Employment Verification Form PI 1613 for each employer. Form PI 1613 is available at: <http://dpi.wi.gov/tepd/elo/supplementary-forms>

**3. SUBMIT** documentation of successfully completing 100 hours of training from a Wisconsin state-approved alternative training program, as identified at: <http://dpi.wi.gov/tepd/pathways/professional-teaching-permits>

**4. CHOOSE** the content test you will take. **REGISTER** directly with the test vendor to take the test:

ETS Praxis II - [www.ets.org/praxis/wi](http://www.ets.org/praxis/wi)

**5. TAKE** the test(s). **OBTAIN** an original score report from the test vendor. **VERIFY** minimum passing score. *Do not request score reports to be sent directly to the DPI.* **SUBMIT** original score report(s) with application.

**6. APPLY** for the 2-year Professional Teaching Permit using the Educator Licensing Online (ELO) application system at:

<http://dpi.wi.gov/tepd/elo/other/professional-teaching>

After the 2-year permit period expires, the professional teacher permit may be renewed for 5-year periods.

**7. RENEW** the Professional Teaching Permit using the Educator Licensing Online (ELO) application system.

Additional information on the Professional Teacher Permits Pathway is available at:
