

# Proclamation

*Whereas* military youth of today and tomorrow promise to be among the most active and involved populations in our nation's history; and

*Whereas* the Wisconsin Department of Public Instruction is honored to work with school districts and the Wisconsin Department of Military Affairs providing support to children of service members, as they transition between schools, to address their distinct needs and prepare them to graduate as well-rounded citizens ready for college and career; and

*Whereas* the physical, social, and emotional well-being of children in military families is essential to their success and has a direct impact on the resiliency of military families serving our country; and

*Whereas* by ensuring military children feel safe and supported in our schools and communities, our men and women in uniform can focus on the challenges and missions they face in the line of duty; and

*Whereas* our efforts and support can improve the lives of military youth and help pave the way for future generations.

*Therefore, be it resolved that* I, Carolyn Stanford Taylor, State Superintendent of Public Instruction, do hereby proclaim April Military Child Month and urge everyone to take time to honor our military youth and the family members who care for them.
