**Instructions for School or District Staff:**

- All cost associated with distributing, collecting, and reviewing these household income forms must be paid for with funds outside of the nonprofit school food service account.
- Parental Approval is required to share any student eligibility information needed for local programs (such as fee waivers, backpack programs, etc.). The sharing of information section provides an opportunity for parents to provide that approval in the same form. All local programs that student level information is needed for must be listed in Section 3 **by the school or district**, so parents can opt into or out of them individually. Add more lines if necessary. Parental consent is not required for State reporting requirements, such as Title 1 or Parental Choice reporting.
- For any schools/districts utilizing this form and DO NOT participate in the USDA Child Nutrition Programs, please modify the instructions in the first section and remove all language regarding the Community Eligibility Provision.
- For schools not participating in the Community Eligibility Provision (CEP) or National School Lunch Program (NSLP) using the alternate
