- (10) "School board" has the meaning given in s. 115.001 (7), Stats.
- (11) "State superintendent" means the state superintendent of public instruction.

PI 26.03 Education for employment program. (1) An education for employment program shall include a long-range plan approved by the board and developed by a team of school district staff and community stakeholders, which may include businesses, postsecondary education institutions, and workforce development organizations. The long-range plan shall include all of the following:

- (a) An analysis of local, regional, and state labor market needs and the educational and training requirements for occupations that will fill those needs.
 - (b) A process used to engage parents in academic and career planning. The process shall do all of the following:
 - 1. Inform parents in each school year about what academic and career planning services their child receives.
 - 2. Provide parents with multiple opportunities during each school year to participate in their child's academic and career planning.
 - 3. Update parents throughout the school year on the progress of their child's academic and career planning.
 - (c) A description of all of the following:
 - 1. How, in each year of the plan, the school district will support pupils in academic and career planning, including meeting the requirements under subs. (2) and (3).
 - 2. The career and technical education provided in the school district.
 - 3. The professional development provided to staff to assist staff with delivering academic and career planning services to pupils in grades 6 to 12.
 - 4. How the education for employment program will meet the requirements of s. 121.02 (1) (m), Stats.
 - (d) A strategy to engage businesses, postsecondary education institutions, and workforce development organizations in implementing the education for employment program.
- (2) An education for employment program shall provide pupils with information and opportunities that lead to all of the following:
- (a) Career awareness at the elementary grade levels, including developing an understanding of the following:
 - 1. Why people work.

2. The kinds of conditions under which people work.
3. The levels of training and education needed for work.
4. Common expectations for employees in the workplace.
5. How expectations at school are related to expectations in the world of work.

(b) Career exploration at the middle school grade levels, including developing an understanding of the continuum of careers across work environments, duties, and responsibilities and how a pupil's personal interests and skills relate to those careers. Career exploration may also include work-based learning experiences and career research identifying personal preferences in relation to occupations and careers pupils may pursue.

(c) Career planning and preparation at the high school grade levels, which shall include the following:

1. Conducting career research to identify personal preferences in relation to specific occupations.
2. School supervised work-based learning experiences.
3. Instruction in career decision making.
4. Instruction that provides for the practical application of academic skills, applied technologies, economics, including entrepreneurship education and personal financial literacy.
5. Pupil access to career and technical education programs.
6. Pupil access to accurate national, regional, and state labor market information, including labor market supply and demand.
7. Instruction and experience in developing and refining the skills and behaviors needed by pupils to obtain and retain employment.

(3) An education for employment program shall provide pupils in grades 6 to 12 with academic and career planning services, including providing each pupil with all of the following:

(a) Each pupil shall receive individualized support, appropriate to the pupil's needs, from school district staff to assist with completing and annually updating an academic career plan.

(b) If a pupil is a child with a disability, the pupil's academic and career plan shall be made available to the pupil's individual education program team. The pupil's individualized education program team may, if appropriate, take the pupil's academic and career plan into account when developing the pupil's transition services under s. 115.787 (2) (g), Stats.

(c) Each pupil shall have access to a career planning software tool that allows pupils to engage in career exploration and career planning and preparation.

(d) Access to a formal process for connecting pupils to teachers and other school staff for assistance with the development and implementation of each pupil's academic and career plan.

PI 26.04 General requirements for school boards. The school board shall do the following:

(1) Indicate on a pupil's transcript the name of each course completed by the pupil, the number of high school credits earned for each course, whether a course is eligible for postsecondary credit, and, if applicable, a course's participating postsecondary institution.

(2) Annually review and, if necessary, update the long-range plan and education for employment program under s. PI 26.03. This review shall evaluate pupil postsecondary outcomes. At the conclusion of the review, the school board shall prepare a report on the school district's education for employment program. The report shall describe the education for employment program's current progress and future goals related to improving pupil postsecondary outcomes.

(3) Publish its long-range plan under s. PI 26.03 (1) and the report under sub. (2) on the school district's website.

PI 26.05 Program approval. A program shall be approved by the state superintendent as long as the program complies with all of the requirements of this chapter and ss. 115.28 (59) and 121.02 (1) (m), Stats.

SECTION 2. EFFECTIVE DATE:

The rules contained in this order shall take effect on the first day of the month commencing after the date of publication in the Wisconsin Administrative Register, as provided in s. 227.22 (2) (intro.), Stats.

Dated this ____ day of _____, 2015
