Course Planner Series – Training #1, #2, #3, #4

(Intended Audience: School Counselors designed as School Lead)

Training #1 – Course Master Review

This 60-minute web-training session is the first of four walk-through sessions to prepare the course planning tool for release to your students. This session is for schools going through their initial set up and implementation phase of the course planning tool.

We will walk through the Course Master section of the program discussing best practices for viewing course data and practical instructions on how to modify course information.

Prerequisite: You must receive an invitation to register from your Implementation Manager.
