Seniors

- Difficulty with tracking completion
 - Difficult to accomplish year to year
 - Completion reports are available in Career Cruising, not helpful to track assignments & activities that are uploaded
 - All assignments are lumped together as one so there is no way to tell what is missing unless you look at each individual student
- New → “Reflect & Confirm” option to check completion of requirements
 - Enrichment teachers will complete an annual review to verify
- Goal is to have seniors complete any missing requirements of the ACP
 - “Consequences” if requirements are not complete
 - Not approved for “Senior Release”
 - Not allowed to participate in the graduation ceremony
