

Academic and Career Planning (ACP)

A district process to support EACH student to plan and achieve THEIR goals

MONITOR READINESS EFFORTS through your Continuous School Improvement Process

District ACP Plan Guiding Questions:

- What does the job market look like in our area?
- What does that mean for the preparation of our students?
- How will you inform and involve families throughout students' academic and career planning processes?
- How will you engage and partner with your community?
- How will you support each student individually to complete and review ACP planning documents each year?
- How will you connect students with staff to do this?
- What services do you provide?
- How will you prepare your staff to be ready to deliver ACP services and support students in their planning?
- How will you work with your students with disabilities to help the ACP process and plan support the transition planning process?

Academic Readiness

Relevant Academics

- Digital Literacy, Global Citizenship,
- Financial Literacy
- Supports: RTI, UDL, IEP-Transition

Connected Sequence of Courses

- In a Local or Regional Pathway
- (Academics, CTE, College Credit)

College Credit Rigor

- AP, IB, CLEP, Dual College Credit-
- Tech College & University

Career Readiness

CTE Student Organizations

- FBLA, FFA, DECA, HOSA, FCCLA, SkillsUSA

Career-Based Learning

- Job Shadow, Career Fairs, Interviews, ...

Work-based Learning
