

# 2020-2021 Fall Creek Senior Capstone

...

Mrs. Loewenhagen

**FC**

# What is the Senior Capstone Project?

- The Senior Capstone Project is the culminating activity of a student's high school education.
- Seniors use the Senior Capstone Project to do project-based research of their intended career path or an area of interest to their futures.
- The students will expand on current knowledge to become more knowledgeable of their future career or interest.
- The seniors will present the information gathered in written form (Work Logs), a visual aid (Evidence), and a presentation to a panel of judges (Professional Communication).

# Senior Requirement

- This is a senior graduation requirement worth 1/2 credit.
- Each student during 1st Semester will be assigned a Senior Capstone Hour to work on Capstone as well as during Cricket Time.
- Project should have record of at least 60 hours from start to finish.

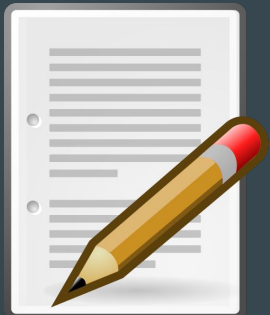

# Components of the Capstone

- The Proposal
  - Topic/ Projects Approval
    - Research Questions ( Thesis Statements)
    - I think, I know, I wonder....
