

## STATE OF WISCONSIN WEBSITES

[www.jobcenterofwisconsin.com](http://www.jobcenterofwisconsin.com)

**Job Center of Wisconsin** is your number one, no-cost source for creating résumés, connecting with employers, and finding jobs in Wisconsin.

- Search for jobs that match your skills
- Get notified of jobs that meet your search criteria
- Build a resume, reference page, and cover letter
- Take online workshops to assist you in finding employment
- Discover local job fairs and hiring events
- Find other helpful career, training, and community resources

**SKILL** → **EXPLORER**

<http://skillexplorer.wisconsin.gov>

**Skill Explorer** is a job search tool that lets users look for openings based on skills, not simply job titles.

- Searches by skill set to help you find occupations you may not have considered across many different industries
- Interact map showing where the jobs are located within Wisconsin
- Provides wage information specific to the state of Wisconsin
- Shows education, licensing, and certification requirements for jobs
- Matches you with new opportunities related to the skills and training you already have
- Simple to use with easy to understand visuals and no login required
- Developed using cutting-edge research by DWD's labor market economists

<http://worknet.wisconsin.gov>

**Worknet** is Wisconsin's Workforce and Labor Market Information System

- Employer Search
- County Summary
- Occupation Search
- Wage Comparison
- In Demand Careers

[www.wiscareers.wisc.edu](http://www.wiscareers.wisc.edu)

**Career Locker** features high quality career development resources and services. A no-cost registration is required.

- Career assessments matching occupations to interests, values, and skills
- Occupational Information including career clusters and pathways
- Educational information on post-secondary schools and programs of study
- Resume and cover letter writer and samples
- ePortfolio information
- Budget Builder
- Education and Career Planning Guide

<http://dwd.wisconsin.gov/youthapprenticeship/>

**Wisconsin's Youth Apprenticeship** program is a part of a statewide School-to-Work initiative. It is designed for high school students who want hands on learning in an occupational area at a worksite along with classroom instruction.

- Learn what Youth Apprenticeship is and what programs are offered
- Discover how to get involved with the Youth Apprenticeship program
- Connect with a Youth Apprenticeship coordinator

## FEDERAL DEPARTMENT OF LABOR WEBSITES

[www.mynextmove.org](http://www.mynextmove.org)

**My Next Move** is an interactive tool for job seekers and students to learn more about their career options.

- Search for careers by using key words
- Browse careers by industry to explore over 900 different career options.
- Take the *O\*Net Interest Profiler* to determine which jobs fit with your interests, skills, and experience
- Explore career groups for those with a bright future outlook, part of a green economy, job zone preparation, and are part of an apprenticeship program.

<http://www.careeronestop.org>

**Career OneStop** contains many career resources sponsored by the federal Department of Labor in partnership with the American Job Center network.

- Determine how employable you are with the Employability Checkup
- Identify your interests and how they fit into a career
- Explore careers, learn about industries and occupations
- Plan your job search and get resume/interview tips
- Find education options and how to pay for school
- Skills Profiler, to identify skills, find occupations and determine skill gaps.
