To: District Administrators, CESA Administrators, Independent Charter School Administrators

From: Jennifer Kammerud, Director, and *Jacob Hollnagel, Education Consultant*, Licensing, Educator Advancement and Development (LEAD) Team

Subject: Annual Educator Effectiveness Evaluation Survey for 2023-24 Available

The Educator Effectiveness (EE) Grant requires participation in the Wisconsin Department of Public Instruction's (DPI) annual evaluation of the Wisconsin Educator Effectiveness (EE) System. The Licensing, Educator Advancement and Development (LEAD) Team has developed a [brief survey](#) to meet this requirement. This survey is required to be completed by all public school districts and charter schools that receive the EE Grant, regardless of which educator effectiveness model they may be using, by June 16, 2024.

The DPI's survey is the same length as last year. It is short and focused only on the implementation of the [6 EE Requirements](#). The DPI survey is designed to provide state and regional information, which will be shared with DPI-contracted educator development and support staff at each of the 12 cooperative educational service agencies to improve support for the system's implementation. The survey does not require school districts or charter schools to identify themselves, distribute questions to teachers, or provide demographic information.

How to take the survey:

- Assign one person to take the survey for the school district or independent charter school.
- Open the [Qualtrics survey](#).
- Answer questions from the perspective of the whole school district or charter school based on overall practice and policy. Please note that some of the language of the questions may not match the specifics of each model, for instance the names of EE conferences (planning session versus "beginning of the year") or the names of observation events ("mini-observations" versus "rapid-cycle"). In these cases, respondents should give the response closest to their policies or model.
- Submit the survey. No other action is required.

If you have questions, please reach out to the [LEAD Team](#) or [Jacob Hollnagel](#), Education Consultant.
