Dear District Administrators,

Information regarding the Career and Technical Education (CTE) Technical Incentive grant funding for 2016 graduates is accessible at <http://dpi.wi.gov/cte/technical-incentive>. This grant awards funds of up to \$1,000 per student to school districts for class of 2016 high school graduates that have also earned industry-recognized certifications.

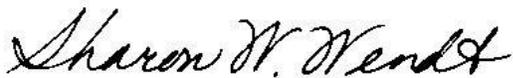

These applications are due September 30, 2016, along with any required class of 2016 student certification documentation. You can find the application, the list of approved 2016 certifications, and a list of frequently asked questions at the web page listed above.

Furthermore, there is a recorded 60 minute webinar, conducted with the Department of Workforce Development (DWD), at http://media.wisconsin.gov/det/ext/ya/cte_grant_webinar.htm. This webinar provides information to complete and submit the 2016 claim applications.
