

Wisconsin Charter Schools Program 2019-20

Federal Grant Information and Writing Workshops

Come learn about the upcoming charter schools grant competition including available funds, grant priorities, application requirements, and more. Bring your team to the session and spend some time working on the application. DPI staff will be available to answer technical questions during this time but cannot assist with actual grant writing.

***Pre-Workshop Requirement:** By Friday, November 8, a recorded presentation will be posted to the [Federal Charter School Grants](#) webpage in the [2019 Grant Information Workshops](#) section. Please visit that site and watch the presentation prior to attending a workshop. The important information shared in the recorded presentation will not be covered again during the workshop session.*
