

Wisconsin's 2024 AP School Honor Roll

Launched in 2023, the AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening participation. Schools can earn this recognition annually based on criteria that reflect a commitment to increasing college-going culture, providing opportunities for students to earn college credit, and maximizing college readiness.

The AP School Honor Roll offers four levels of distinction: Bronze, Silver, Gold, and Platinum.

For a school to be recognized on the AP School Honor Roll in a given year, it must meet each of the following criteria for their students in the most recent graduating class; these criteria are anchored in research-based relationships between AP and college outcomes:

- **College Culture:** 40% or more of the graduating cohort took at least 1 AP Exam during high school.
- **College Credit:** 25% or more of the graduating cohort scored a 3 or higher on at least 1 AP Exam during high school.
- **College Optimization:** 2% or more of the graduating cohort took 5 or more AP Exams during high school. At least 1 of those exams was taken in 9th or 10th grade, so that students are spreading their AP experience across grades rather than feeling disproportionate pressure in any single year.
