WIDA ACCESS FOR ELLS AGREEMENT TO MAINTAIN CONFIDENTIALITY

The WIDA ACCESS for ELLs is a secure, proprietary suite of test instruments with components copyrighted by The Board of Regents of the University of Wisconsin System and DRC. Any disclosure of test items to any person might constitute a copyright violation. Also, any such disclosure or dissemination of test items will undermine the value of the test and adversely affect the validity of test results. The confidentiality of test questions and answers is paramount in maintaining the integrity and validity of the test. Accordingly, the Department of Public Instruction and Wisconsin educators must take every step to assure the security of these test instruments.

I hereby agree that I will not disclose to any person, any materials (such as, but not limited to: test items, graphics, tasks, scoring rubrics, item specifications, test design, content limits, and measurement/research/report data) related to the WIDA ACCESS for ELLs.

I acknowledge that I will have access to a secure assessment in the WIDA ACCESS for ELLs. I also acknowledge that I have read, understand, and agree to adhere to the Appropriate Testing Practices (available in the Test Security Manual) and the WIDA ACCESS for ELLs Test Security Policies. I understand that these testing materials are secure, and it is my professional responsibility to protect their security. I agree to complete each assessment's required training. I therefore pledge:

1. I have read and understand the Test Security Manual.
2. I will read the Test Administration Manual, use the testing resources available on the ACCESS for ELLs webpage and follow the appropriate testing procedures.
3. I will follow the procedures in the WIDA AMS User Guide.
4. I will not keep, copy, reproduce, paraphrase, distribute, or discuss any test materials and/or test items.
5. I will not use test items or any of the information contained in the assessment to review/prepare students for a test.
6. I will not allow any unauthorized person to access the test materials.
7. I will not alter students' responses in any manner (indicate answers, point out rationale, prompt, etc.).
8. I will not disclose individual student test scores or test performance data to unauthorized persons.
9. I understand that if a breach of test security or copyright infringement occurs as a direct result of my actions, and breach of contract, consequences may include invalidation of student test results, civil legal liability for copyright violations, and district level disciplinary action.
10. I understand the importance of student privacy and ensure that any reference to WISE IDs distributed for the purpose of logging onto the test are kept secure and destroyed immediately after testing.
