DPI Updates: Aspire Reports from 9th Grade Fall Administration

Schools should have received access to all ACT Aspire reports from the fall administration at this time. Please see the information below which you may find helpful.

- The reports are not embargoed.
- Only staff with Aspire portal access who have permission levels of Test Coordinator or Administrator can access the reports through the portal.
- Aspire data will be added to WISEdash later this spring. No specific date has been determined.
- Schools will need to print any reports they want to share with families or staff. No paper copies will be sent from ACT Aspire or DPI.
- It is the decision of each individual school/district how and to what extent reports are shared or distributed to students and parents.
- For score interpretation questions, please contact ACTAspireReports_Questions@ACTAspire.org. Please allow up to three business days for a response. For general questions, please call toll-free [888-802-7502](tel:888-802-7502) or email at ACTAspire_Implementation@ACTAspire.org.
- DPI has not yet determined how ACT Aspire data will factor into the school and district report cards.
- Please review the following training modules and documents to assist in interpreting the Aspire reports. These can be shared with staff, families and other stakeholders:
