

School Assessment Coordinator Confidentiality Agreement

THE ACT HIGH SCHOOL ASSESSMENTS AGREEMENT TO MAINTAIN CONFIDENTIALITY

The ACT High School Assessments are secure, proprietary test instruments with components copyrighted by the ACT Inc. Any disclosure of test items to any person might constitute a copyright violation. Also, any such disclosure or dissemination of test items will undermine the value of the test and adversely affect the validity of test results. The confidentiality of test questions and answers is paramount in maintaining the integrity and validity of the test. Accordingly, the Department of Public Instruction and Wisconsin educators must take every step to assure the security of these test instruments.

I acknowledge that I have read, understand, and agree to adhere to the Appropriate Testing Practices (available in the Test Security Manual) and the ACT High School Assessment Test Security Policies. The ACT High School Test Security Policies are available in the Test Security sections of the ACT Test Administration Manual, ACT ASPIRE Test Coordinator Manual and the ACT ASPIRE Room Supervisor Manual. I agree to complete each assessment's required training. I therefore pledge:

1. I have read and understood the Test Security Manual and the Accessibility Guides for the ACT and ACT ASPIRE.
2. I will read the ACT Test Administration Manuals, and the ACT ASPIRE Test Coordinator Manual and the Room Supervisor Manual, use the ACT High School Assessment testing resources and follow the appropriate testing procedures.
3. I have read and understood the ACT Prohibited Behavior at the Test Center and the ACT Calculator Policy.
4. I will train appropriate school staff on test administration and test security procedures.
5. I will not disclose individual student test scores or test performance data to unauthorized persons.
6. I will monitor test administrators/proctors and students to ensure that only references or tools specifically designated in test manuals or by accommodations are provided.
7. I will check testing rooms prior to the beginning of test administration to ensure that no specific information is displayed in the room during the test administration.
8. I understand that if a breach of test security or copyright infringement occurs as a direct result of my actions, and breach of contract, consequences may include invalidation of student test results, civil legal liability for copyright violations, and district level disciplinary action.
9. I understand the importance of student privacy and ensure that any reference to WISE IDs is kept secure.
10. Access to test materials: **Please select one of the following two options**
