Subject: WI ACT Statewide Assessment Update - December 16, 2022

Dear Educators,

Please review the following information pertaining to ACT's Test Accessibility and Accommodations System (TAA).

Test Accessibility and Accommodations (TAA) Update:

DPI has been informed that ACT deployed a repair to the Test Accessibility and Accommodations System (TAA) that has greatly improved system performance. Schools should now be able to successfully submit requests for accommodations and English learner supports. If you continue to experience issues, please contact ACT for assistance at 800.553.6244 ext 1788 or ACTStateAccoms@act.org. ACT

Accommodation Request Deadline Extended:

As a result of the TAA performance issues, DPI has worked with ACT to extend the deadline to request accommodations. The new deadline to submit requests for Spring 2023 testing is **January 20, 2023**.

DPI strongly encourages schools to enter requests into TAA as soon as possible.

Thank you for your contributions to a successful testing experience for all students. Please contact the Office of Educational Accountability with any questions you might have: (608) 266-1075

Thank you
