CRITERIA

All five of the criteria below must be met when considering if the student needs to have the read aloud accommodation provided in order to access the Forward Exam.

Criteria for Accommodation	YES	NO
1. Does the IEP indicate that the child has a need and receives instruction in braille?		
2. Does the lack of knowledge of braille prevent student participation in the Forward Exam, which includes the ELA reading passages?		
3. Is the student's inability to access the exam, which includes the ELA reading passages, primarily because of his/her disability rather than issues that are not related to the disability (e.g., excessive unexcused absences)?		
4. Is the student routinely provided with an oral instruction format to access materials?		
5. Will the oral administration of the test provide sufficient access to the materials to the student?		

Rationale for the Read Aloud accommodation (Please be specific regarding **why** this student needs this particular accommodation in order to access the assessment vs. other approved options.):
