

# Word-to-Word Bilingual Dictionaries Available for the Forward Exam

These word-to-word bilingual dictionaries can be used by students who are currently reported as English learners (ELs) and may still need this support from time-to-time in the classroom. The bilingual dictionaries listed in this publication are limited to those that provide word-to-word translations only. This is not an exhaustive list of available bilingual word-to-word dictionaries, but is intended to aid districts in their selection process and ensuring that students who may need this support for the classroom and assessment have access to it. Additionally, students who may use electronic word-to-word dictionaries in the classroom must use a paper based version. The use of dictionaries as an allowable accommodation or linguistic support is assessment specific.
