

WISCONSIN STATEWIDE ASSESSMENT SYSTEM UPDATES

ACT with writing

New:

In spring, ACT released their new online reporting platform, [Success.ACT](#). This system houses all school and district data as well as the Test Accessibility and Accommodation System (TAA). Once an account has been set up through Success.ACT, a user will request additional administrative access to reports or TAA through the online system. The Trusted Agent (TA) for the organization will then authorize access to the users.

- In April, ACT sent Superintendents a letter with the organization's Trusted Agent access code. If a Superintendent did not receive their access code, please contact [Nikki Braconier](#).
- Go to [Success.ACT](#) to set up your user account.
- If you had access to TAA in previous years, use the same email address used to log into TAA when setting up your Success.ACT account. This will migrate your TAA access.
- [Success.ACT Training Tutorial](#).
- [Success.ACT Reporting User Supplement](#).
- Additional Success.ACT resources can be found on the [Wisconsin ACT Website](#).
