

# Assessment Update for Parental Choice Schools

April 12, 2023

## WISCONSIN STATEWIDE ASSESSMENT SYSTEM UPDATES

### Assessment

#### Reminder:

##### Technical Requirements and Allowlisting

Please be sure to review each assessment's specific technical requirements during test set-up. Districts should review allowlisting information and other network considerations to confirm certain file types are allowlisted, both internally and externally. Districts should also ensure that the required URLs are allowlisted on the content filtering systems or other proxy/firewall software that are used locally. Besides allowlisting these sites, districts may need to allow them to pass through the proxy server without requiring authentication credentials.

### ACT

#### New:

##### Testing to Date

Approximately 85% of students have tested so far. Thank you for your continued support administering the ACT this year.

#### Reminders:

##### Final Test Window

**Any students who did not take the ACT in Test Window 1 or 2, will need to test during the final ACT test window (Test Window 3).** Paper testing has already concluded (non-accommodated). Schools may use online testing in place of paper testing for make-ups. Test online make-ups with any remaining online testing dates available throughout the testing window. Please review the [Switching from Paper to Online Testing](#) document for instructions.

Tuesday, April 11 marks the start of the **final ACT testing window**.

- April 11-14, 17-21: Paper accommodated testing.
- **April 11-13, 18-20:** Online standard and accommodated testing.
- Student MyACT account registrations must be completed within two days post testing.
- Review [2023 ACT Schedule of Events](#) for all Test Window 3 tasks and deadlines.

#### Student Scores

Students' scores are received 3-8 weeks post testing. Scores will be sent electronically to their MyACT accounts, and a paper copy will be sent to their home address. Schools will see scores filter into [Success.ACT](#) within one week of students receiving scores in MyACT. **New for this year**, schools will also receive a hard copy of the students' official score reports for their records. Review the [ACT Score Report Schedule](#) for a complete list of reporting dates.

## Entering Not Test Codes

Students who did not take the ACT during any of the three testing windows will need to be marked as “not tested” in PAnext. Please follow the instructions outlined in the [ACT Administration Supplement - Entering Not Tested Codes](#) to complete this process.

## ACT Office Hours

The final ACT Office Hours of the year will be held on **Thursday, April 13, 11:00 am**. This will be an open Q&A discussion with ACT and DPI to discuss any remaining ACT testing concerns. Visit the [DPI ACT Trainings webpage](#) for the link and recordings of all additional training webinars.

# PreACT Secure

## New:

### Testing Progress

We are off to a great start, with approximately 50% of students tested so far. **Please schedule all remaining testing as soon as possible to allow enough time for all students to complete testing.**

### Monitoring Testing

Schools can monitor test participation with the Testing Dashboard in PearsonAccess<sup>next</sup>. Instructions on how to access and use the Testing Dashboard are located in the [PearsonAccess<sup>next</sup> User Guide for the PreACT Secure](#). Testing must be completed by April 28.

### Testing Resources

All testing resources including site readiness guidelines, manuals and test administration forms for the PreACT Secure are located on the [Wisconsin PreACT Secure webpage](#) or the [DPI PreACT Secure webpages](#).

### Tip - Updating Accommodations and Supports

Any changes made to a student’s accommodations and supports must be made prior to the student being enrolled into a test session. If you need to make changes to a student’s profile, you must remove that student from the test session prior to making any changes. **Any updates made to a student’s profile while still enrolled in a test session will not be applied.** Once a student is removed from a test session and changes have been made, you can add the student back into their test session and reprint the authorization ticket.

# Forward Exam

## New:

### Forward Exam Test Window

In the first three weeks of testing, 95% of districts started testing and 44% of all testing was completed. **Please test early in the window to allow adequate time for make-up sessions.** All testing must be completed by April 28.

### Summer 2023 Educator Involvement Opportunity - New Item Review

OEA is looking to recruit a diverse group of educators from all over Wisconsin (including EL and special education teachers) to participate in this summer’s in-person “New Item Review” for the Forward Exam. This is a great opportunity to be a part of assessment development, provide valuable feedback, have detailed input about the items on the Forward Exam, and take knowledge back to the district about the process.

For more information about the Item Review Meetings including dates, logistics, and application information, go to the [Forward Exam Educator Involvement Opportunities webpage](#). **Please share**

this information with all grade 3-8 and 10 educators in your district. Their input is invaluable during this stage of item development. **Deadline to apply is May 12.**

## Reminders:

### Background Apps

Please ensure **all apps running in the background are stopped** prior to testing. These apps include but are not limited to:

- Automatic Operating System Updates
- Intelligent personal assistant (IPA) software (e.g., Siri, Cortana)
- Collaboration tools - e.g., Zoom, MS Teams, Google Chat, Google Meet
- Microsoft Game Bar
- Other Background Processes - e.g., virtual keyboards, grammar tools (e.g., Grammarly), classroom monitoring tools

## DAC Contact Update

### Reminder:

Please [update District Assessment Coordinator \(DAC\) contact information](#) as contact information or staffing changes occur throughout the year. The information provided is used to:

- Ensure DACs receive regular assessment and accountability updates, and
- Upload information into vendor portals to ensure DACs have annual permissions.

## New Resources

As new resources are posted to our website, we will include them here for your convenience for a few weeks. This is NOT an exhaustive list but meant to highlight resources with significant relevance to our upcoming test windows.
