WISCONSIN STATEWIDE ASSESSMENT SYSTEM UPDATES

Assessment

DAC Contact Information During the Summer and into the 2022-23 School Year

It is important to keep your District Assessment Coordinator (DAC) contact information up to date over the summer months and as staffing changes occur from 2021-22 to 2022-23.

The 2022-23 annual [District Assessment Coordinator \(DAC\) and District Technology Coordinator \(DTC\) update forms](#) may be submitted beginning July 1. These forms are required for both new and returning DACs and DTCs, even if the information has not changed. The information provided is used to:

- Ensure DACs and DTCs receive regular assessment and accountability updates, and
- Upload information into vendor portals to ensure DACs have 2022-23 permissions.

Schools should also remove permissions in the test vendor portals (or make inactive) for any individuals who are no longer employed by the district and adjust user roles to sync with staffing changes.

Accessible Reporting

Schools are responsible for ensuring that parents/guardians are provided reports in a language they can understand and in a format that is accessible to them. Schools should take advantage of the reporting resources for parents/guardians available on each assessment's data and results webpage.

2022-23 Parental Choice Assessment Requirements

The 2022-23 Parental Choice assessment requirements can be found at [Parental Choice Assessment Requirements](#). Assessment calendars may also be accessed from this page.

These signed forms should be retained at the district or school. DPI will publicly release the statewide assessment results in the fall. Until this public release, do not release your district's assessment results to the public.
