If you have any students who want to take the ACT again this summer or in the fall of their senior year, please take note of the following:

- Free ACT prep materials are available to students through [MyACT](#).
- National testing dates and registration information can be found on the [ACT Website](#).
- Only the statewide, grade 11, ACT test is used for accountability.

Aspire

Reminder:

Score Reports Delivery

Reports will be available in the [Aspire PAnext portal](#) July 6. Schools should download and print Individual Student Reports and distribute them to students and families. There are a number of additional reports that can be retrieved from the portal including skill and subject proficiencies by groups, by demographics, and by student. The [Summative Reports Guide](#) lists all the reports that are available. Reporting resources can be found on the [Aspire ACT Webpage](#).

Forward Exam

New:

Forward Reporting Resources

[The User’s Guide to Interpreting Reports](#), available June 22, is designed to help district and school staff access, understand, explain, and interpret the results of the Forward Exam. This document highlights the types of scores and various reports associated with the assessment. To use assessment information effectively, it is essential that educators understand the information in these reports.

When sending Individual Student Reports (ISRs) home, districts should make use of the resources created to help parents/guardians understand their child’s Forward Exam results. All parent/guardian resources are available in English, Spanish, and Hmong versions. [Reporting resources for parents/guardians](#) include:

- **Sample ISR cover letter** - Sample Forward Exam cover letter that can be modified to include specific school or district needs.
- **What Is an Individual Student Report (ISR)?** - One page handout explaining the information included in the ISR.

- **Spanish or Hmong Translated ISR** - New this year, the translated ISR is produced containing no student data. Districts and schools may include a copy of the Spanish or Hmong translated ISR with the student's actual ISR (in English) so non-English speaking families are better able to access and understand their child's Forward Exam results.

Reminder:

Forward Exam Reports

Individual Student Reports (ISRs) and summary reports will be available electronically in the DRC INSIGHT Portal on June 24. Hard copy ISRs will be delivered to districts by July 21. Be sure to send ISRs out to parents/guardians as soon as possible after receipt, either in hard copy or via your secure parent portal.

Districts have the option to request an additional electronic ISR file format delivery, which contains a separate PDF for each student ISR. This format allows for easier upload of the electronic ISRs to their student information system (SIS) or secure parent portal. [Complete the request form](#) by June 15, to receive the additional electronic ISR file format delivery.
