Greetings, District Assessment Coordinators –

Please visit [HERE](#) at our Assessment Trainings webpage for the Late March 2015 DAC Update. The PPT is located at the first bullet under “General Trainings.”

*After downloading the PPT, note that it can be viewed as a slide show with accompanying narration. Simply play the slide show, and listen through your speakers or headphones. You may either let the slides advance automatically, or use the arrow keys to advance/go back through each slide. Slide 2 includes an overview of the topics contained in the presentation.*

In light of this week’s announcement re: the adjustment to the Badger Exam window, updated information regarding the Badger Exam will be provided in a shortened DAC Update prior to April 13.

Please note that there have been **no adjustments** to the DLM Test Administration window. **The DLM Window opens this coming Monday as planned, and remains active from March 30 to May 22.**

Thanks for all you do!
