District Assessment Coordinators:

The Department of Public Instruction (DPI) would like to remind you that, due to impending changes in the state testing system and our contractors, the WSAS-ORS (Turnleaf) will not be available after June 30, 2014. Until June 30, 2014, the system is still available for data analysis, and for downloading Individual Student Data Files. We strongly recommend that if your district uses the Individual Student Data File, that you download the file prior to June 30, 2014.
