Subject: Tea w/Troy Aug 2015

Greetings, District Assessment Coordinators –

We have produced a “back-to-school” edition of Tea with Troy that provides some general updates about statewide assessments, as well as some additional information from each of our assessment consultants. You can find Tea with Troy about half way down the page at the following link: <http://oea.dpi.wi.gov/assessment>. Total length of this month’s edition is just over 16 minutes. You may view the embedded video in full screen by choosing the button in the bottom far right corner. The PPT with notes will also be posted at that link right below the video for your convenience as well.

Best of luck for a great start to the 2015-16 school year!
